Same format used in Ike and Katrina would be fine with me.

Do we have an estimate for costs through Sept. 30, 2015?

Hi Jo Ann,

As of now, we are at a burn rate of \$12,000.00 per day and increasing.

Is there a specific format that you would like this information to be submitted each day?

Hi,

We are including a requirement to report costs on a daily basis, like what we have done for hurricanes. Do you have a daily burn rate? thanks
